Authorized under Section 1707 of the Public Health Service Act, 42 U.S.C. 300u-6, as amended, the mission of OMH is to improve the health of racial and ethnic minority populations through the development of health policies and programs that help eliminate health disparities. OMH awards and other activities are intended to support the identification of effective policies, programs, and practices for improving health outcomes and to promote the sustainability and dissemination of these approaches.

Under the authority of Public Law 116-260 (2021 Consolidated Appropriations Act), Congress directed OMH to create a Center to support research, education, service, and policy development advancing Indigenous solutions that ultimately address health disparities in American Indian/Alaska Native (AI/AN) and Native Hawaiian and Pacific Islander (NHPI) populations. OMH is establishing the Center TAC to ensure that Tribal Leaders have meaningful and timely input in the development of the priorities and activities established to address the focus areas of the Center. The Center TAC shall support, but not supplant, government-to-government consultation activities that OMH undertakes.

TAC Membership: The Center TAC will consist of 16 delegate positions: one from each of the 12 geographic areas served by the Indian Health Service and four National At-Large Member positions.

Alaska Area	California Area	Oklahoma Area
Albuquerque Area	Great Plains Area	Phoenix Area
Bemidji Area	Nashville Area	Portland Area
Billings Area	Navajo Area	Tucson Area
National At-Large Members (4)		

OMH recommends a term of two (2) years term for each delegate, but delegates' term length will be established by the TAC's charter.

Eligibility: The Center TAC delegates must be: (1) elected tribal officials from a federally recognized tribe acting in their official capacity as elected officials of their tribe, with authority to act on behalf of the tribe; or (2) individuals designated by an elected tribal official. Designees must have the authority to act on behalf of the tribal official and the tribe and be qualified to represent the views of the AI/AN tribes in the area from which they are nominated. No delegate of the Center TAC may be an employee of the federal government.

Nomination Procedures: Center TAC candidates must be nominated by an elected tribal leader. The nomination letter must be on tribal letterhead and signed by an elected tribal leader, and must include the following information:
